ELITE CARE**

Enjoy the peace of mind that comes with knowing your engine's scheduled maintenance is covered.

Regular maintenance is a necessary part of boat ownership. Marine Elite Care Engine Planned Maintenance[1] provides future maintenance services at today's prices while keeping your boat running smoothly. Built with your engine manufacturer's service schedule in mind, the plan provides three (3) scheduled maintenance services per engine.[2]

BENEFITS

- Covers three (3) scheduled maintenance services per engine during the Agreement term,[3] based on your engine manufacturer's owner's manual[4]
- Services performed by trained technicians who know your boat and engine(s) best
- Coverage redeemable at any Marine Elite Care store[4]

OPTIONAL COVERAGE FOR ADDED PEACE OF MIND

MOBILE SERVICES	WINTERIZATION
Let us come to you. For added convenience, a trained Marine Elite Care technician will provide Covered Services at your boat's location a total of three (3) times.[4]	We'll help you get ready for off-season storage. Provides three (3) winterization services per engine to your plan.

EXCLUSIONS[5]

- Does not cover the actual boat on which the covered engine is installed.
- Does not cover any maintenance or other service item that is not explicitly listed as being part of the Covered Service(s) in either the Agreement or the Maintenance Schedule, including but not limited to spring commissioning services.
- Any maintenance work covered by the engine or boat manufacturer.
- Any upgraded or extra-cost products used during a Covered Service.

---

1 Engine Planned Maintenance coverage runs concurrently with any applicable manufacturer's warranties.

2 All engines installed on the boat must have the same make, model, and horsepower to be eligible for coverage.

3 The Agreement term starts on the Delivery Date and expires on the earlier of: (1) the redemption of all applicable services purchased or (2) when the term of the Agreement has expired. The Delivery Date is the date shown on the registration page of the Agreement.

4 A Covered Mobile Service will be provided to perform Covered Services up to sixty (60) miles from the servicing store. Customer will be charged for any mileage incurred during the performance of a Covered Mobile Service which is in excess of sixty (60) miles at the servicing store's current mileage rate. Per the Agreement, the definition "servicing store" means the Marine Elite Care store that is closest to the location of the Covered Engine(s) at the time a Covered Mobile Service is requested. See your Maintenance Schedule for a full list of scheduled maintenance items specific for the covered engine based on its make, model, and horsepower.

5 Additional exclusions may apply. Please see your Agreement for coverage details including limitations and exclusions.
